For the first time in thirty-five years, Alton finished their season undefeated and untied with a 10-0 record.

The team's performance not only led to a conference championship but brought about school spirit that hasn't been equalled in recent Alton High history.

The twenty-one returning lettermen, who last year experienced a disappointing 4-6 season as juniors, made use of their experience to become third in the state.

The number one ranked team in the St. Louis Metropolitan area began their season by crushing the highly touted northern school, the Vikings of Rockford Guilford 47-7. In the finale of a cross-town traditional rivalry our Big Red demolished Marquette by the score of 48-0. Because of the teacher's strike in East St. Louis, Alton's home game with the Flyers was ruled a forfeit; Alton winning 1-0. Alton next faced perhaps its toughest foe of the year in the Granite City Warriors. Alton returned home with a 15-13 decision. The Redbirds then took their longest road trip of the year to face the eighth ranked Peoria Central Lions. In a Saturday night contest, Alton showed its finest display of school spirit when over 600 students and fans made the 3½-hour trip north in support of the team. The Redbirds rewarded their fans with a 34-21 victory despite a half-time deficit. The Big Red next had the pleasure of turning Edwardsville's homecoming dreams into a nightmare. We shellacked the Tigers 36-13. Alton then manhandled the Belleville West Maroons for the first time in a long decade. The 28-0 victory was the second time the Maroons had been shut out in 99 games. Collinsville was Alton's next victim. They had to live with the second four touchdown loss to Alton in the last two years with 42-14 drubbing. Wood River traveled to Alton for the last conference meeting between the two teams. Alton ended Wood River's season with a 16-0 win. Last year's number one area team also succumbed to Alton's winning ways. The Belleville East Lancers learned a disappointing 22-20 lesson in their first meeting of what should become a traditional season ending rivalry.

The TATLER Staff wishes to congratulate Coaches Ed Yonkus, Ray Thorpe, Norm Iman, Leroy Beck, Pete Stavros, Felix Macias, and Ron McIntire on a fantastic year.

The 1970-71 Basketball Redbirds thus far have compiled a 10-3 record. With only three returning lettermen, the Redbirds started off the season in fine style with a 5-1 record as they headed into the holiday action. The Alton cagers lost their opener to a tough East St. Louis team. We then won five in a row by downing Jacksonville, Edwardsville, Belleville, East, Wood River, and Collinsville. Although seeded fourth in the Carbondale Tournament, the Redbirds were upset by Decatur Eisenhower in the first game. Alton then went on to win the consolation bracket by defeating Harrisburg, Mt. Vernon, and Highland Park. Alton set three tournament records in the Mt. Vernon contest by scoring 94, the most points in a single game, most points in a second half, 53, and grabbing 59 rebounds, the most in a single game.

After playing five games in six days, Alton ventured to Mater Dei where we were defeated. The state-ranked Belleville West Maroons were the next Alton foe. The Redbirds put out a fine effort and came up with a crucial victory. The next night we defeated the state's tenth-ranked team, the Granite City Warriors.

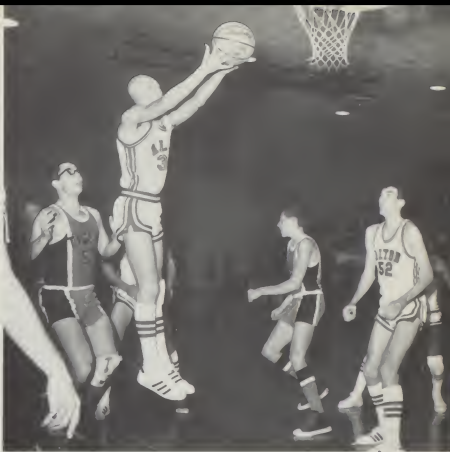

The TATLER staff congratulates Coaches Sterrett, Miller, and McPherson on a fine start and wishes the team continued success the rest of the season and in the state tournament.

## Cross-Country 1970

Alton High's 1970 Cross-Country team developed into one of the finest cross-country teams ever. They were unbeaten in duel-meet competition for the second consecutive year.

The year began with the Redbird Harriers showing the promise of what was to come by taking 1st place in the third Annual Big Ten Invitational. The following week Alton traveled to the Columbia Invitational, ran another fine race, and again took 1st place. The tough Peoria Invitational next presented itself before the Alton runners. Alton picked up 8th place in the Peoria course in the field of more than 40 teams which ran in the meet. Across the river at the Beaumont Invitational, Alton finished a strong second being edged by a fine Riverview Gardens team. Along came the Conference and Districts meets and Alton went right along, grabbing the top spot in both, led by Art Andrew who set a new course record of 13:17.5 on the two and seven tenths mile course. The Harriers, traveled to Springfield to snatch a first place in our Sectional, setting a lowest team score record. The Red Birds finished their fine season by running the State meet and placing a respectable 16th place.

Our Sophomore team finished their season at the conference meet with four of their five runners placing in the first four places, presenting what should be an even brighter future for Alton.

The Harriers' first five consisted of Art Andrew (set two course records), Paul Lacke, Captain — Mike Johnson (course record), Captain — Steve Krummelbein, and Bill Scheffel. Pat Burns, Jim Lewis, Ed Reilly, Dennis Kelly, Mark Swift, and John Gerhardt also showed fine seasonal efforts.

The TATLER congratulates the team and coaches Jim Wigger and Bill Diddlebock for an outstanding Alton cross-country season.

## Tennis

Last year's Tennis Redbirds compiled a mediocre nine win and seven loss record but gave an outstanding performance at the District meet in Granite City. They tied with perennial winner Granite City for the District tennis title. At District, Alton placed Robert Simpson and Rick Johnson in the singles division while Kim Barnett and Jim Johnson were entered in the doubles.

Simpson, by winning the singles division, became the first singles player to enter the State meet in the history of Alton High. In first round play at Campaign Bob defeated Pete Wei of Chicago Heights 6-3, 6-3. Tenth seeded Dave Brown of New Trier East defeated Bob in a come from behind victory 7-5, 6-1. Jim Johnson compiled the best record on the team with a 12-4 mark. Congratulations to Coach Sterrett and his team from the TATLER Staff.

The 1970 Trackbirds were about as strong as a team could be. We had the ability to win state, but because of a hot runner from Evanston we placed second to them.

Track started off indoors with a good season. We placed fourth in the largest indoor relays of the state at Oak Park, Chicago. We tied with Soldan, of St. Ignace, for the armory relays title.

The outdoor season started with a bump and down. A dual meet with Edwardsville set off our winning streak, and we won until state. At the big meet we got second to the Alton relays (biggest in the state), but in conference, district and in Madison County with a second place in the state.

We won most of our meets not by one outstanding person, but by good people in every event. In the 100 yard dash, we had Gale Murphy at 9.7, Bo Scott at 10.0, Regan Steiner at 10.0, and Pat Jordan a sophomore at 10.3. In the 220 yard dash, Gale Murphy at 21.8, Bo Scott a sophomore at 22.4, Regan Steiner, Bobby Rogers, Steve Pitts, Pat Jordan sophomore, Mike Eversole sophomore, and Roger Bower, High hurdles; Bobby Rogers at 14.9, Al Withrow, Kevin Dooley, Gale Murphy, Regan Steiner. Low hurdles; Al Withrow at 20.1, Jimmy Mitchell at 21.0, Bobby Rogers, Gale Murphy, Regan Steiner, Bobby Everage sophomore, Kevin Dooley. In the 440 run; Milt Johnson at 48.9, Bobby Rogers at 50.8, Roger Bower, Bo Scott sophomore, Al Withrow, Steve Pitts, Mike Johnson, and Jim Talbert. In the 880 run; Art Andrew sophomore, Roger Whyte, Pat McCahill, Milt Johnson, Mike Johnson, Lief Anderson sophomore, Bill Scheffel, and Phil Taul. Mile run, Phil Taul at 4:36.6, Bill Scheffel at 4:38.6, Greg Bode, and Bruce Graves. Two mile run; Elijah Burgess

at 9:59.8, Paul Lacke sophomore at 10:06, and Steve Krummelbein. Shot put; Tim Fisk at 53' 9½" (all time five), Regan Steiner, Marty Medhurst, and Ed Jordan. Discus; Marty Medhurst at 161' 2½" (school record — first year of high school track), Regan Steiner 152' 3½". Long jump; George Gilcrest, 23' 11½". Bo Scott, 23' 0" sophomore, Bobby Everage sophomore, Lemar Parker sophomore, Jo Scott, Jimmy Mitchell sophomore. High jump; Kevin Dooley, 6' 2", Bo Scott 6' 0" sophomore, Jo Scott, Steve Celsor, 5' 10" sophomore, Gale Murphy, Bobby Everage, 12' 3" sophomore, Don Scott 12' 2". Rick Wagner sophomore, Kevin Dooley. Triple jump; George Gilcrest, and Jimmy Mitchell sophomore.

In the district meet, held in Alton, we qualified in 9 events: 100 yard dash, 220 yard dash, 440 yard dash, 880 relay, mile relay, high jump, long jump, high hurdles, and low hurdles.

We went to state and put down these times and places as follows: 100 yard dash — 3rd at 9.7 Gale Murphy; 220 yard dash — 3rd at 21.7 Gale Murphy; 440 yard dash — 4th at 48.9 Milt Johnson; 880 relay — 3rd at 1:28.2 Steiner, Scott, Rogers, and Murphy; mile relay — 1st at 3:19.9 (school record) Rogers, Bower, Scott, and Johnson; high jump — qualified but did not place, 6' 1" Kevin Dooley; long jump — qualified but did not place, Bo Scott; high hurdles — qualified but did not place, Bob Rogers; low hurdles — qualified but did not place, Al Withrow.

Our coaches were: Paul Economides — field events, Bob Middleton — pole vault and high jump, Bill Diddlebock — sprinter and distance, Ron Miller — hurdles, and Jim Wigger — head coach and the one who put us all together.

Row one: Coach Wigger, Art Andrew, Bo Scott, Roger Whyte, Steve Pitts, Pat McCahill, Bruce Graves, Elijah Burgess, Gale Murphy, Milton Johnson, Roger Bower, George Gilchrist, Marty Medhurst, Don Purell, Ed Jordan, Greg Johnson — Manager. Row two: Greg Coleman — Manager, Joe Scott, Jim Talbert, Robert Harrison, Bob Rogers, Bob Everage, Al Withrow, Phil Taul, Tim Fisk, Lief Anderson, Regan Steiner, Dennis Kelley, Tom Landre, Bill Scheffel, Kevin Dooley, Steve Krummelbein, Dean Huntley, Jim Mitchell, Paul Lacke, Coach Diddlebock. ## GOLF

Last year Alton's golf team compiled an eight win, six loss, and one tie record. Their best performances were against Wood River, Edwardsville, and Collinsville. They finished third in both the conference and district meets.

The Redbirds' number one golfer was John Fisher. Other golfers included Dave Cousley, Gordie Moore, Steve Vassier, Steve Doerr, Greg Matthews, and John Hand.

The TATLER Staff would like to congratulate Coach McPherson and his team on a winning season.

# Barefoot In The Park

"Do you want me to sign that?"

"It's six flights!!!"

"Is that my telephone?"

"I never thought I'd make it!!"

The first play of the 1970-71 play season here at Alton High was "Barefoot in the Park," a comedy written by Neil Simon. It is about a young, newlywed couple, Paul and Corie Bratter, who moved into a small apartment on the Fifth floor of an old Brownstone in New York. Many amusing situations arise because of problems with the apartment and problems with their crazy neighbors, including a blind date that Corie arranges for her conservative mother with one of their zaniest neighbors, Mr. Velasco. In the end, however, everything is resolved as Mother leaves to go on her second date with Mr. Velasco, and Corie and Paul shake hands and settle down to have a happy marriage.

"If I glue it just right, maybe they won't notice this hole!"

"How about a nice Hawaiian Punch!"

The theme of our Junior Prom was "Age of Aquarius." Zodiac signs on blue cloth, murals of star and sun formations, a revolving globe of mirrors, all set in a flood of black light provided the atmosphere of suspension in space.

The seventies will probably continue to be a period of change. The students, parents, and teachers must guide this change in order to encourage improvement, rather than remaining status quo, or regressing. A majority of the students want the school to be a place to learn, and they try to do their best work. However, a few students throughout the nation have tried to disrupt the learning program. This is not good. It is the duty of all concerned persons to stand up and be counted for what is *right*.

The value of your diploma depends on your success in the classroom.

Best wishes for success and happiness,

*J. B. Johnson*

## Board Of Education

Education is a lifelong process that begins at birth and continues throughout one's life. Most of our total education occurs outside the jurisdiction of the school. Your formal education, provided at school, is now being culminated at Alton High. Hopefully this has provided you with the basic skills, attitudes, and understandings needed to continue your lifelong process of education.

Change is a fact of life today and it continues to accelerate year by year. Therefore, education must be continuous if an individual is to meet satisfactorily the demands of life in the remainder of the twentieth century. This need for continuous education will exist regardless of the type of vocation you enter.

\* It is my hope that each of you can develop the openness of mind and spirit that will enable you to become a successful participant in the great adventure of life.

# Counseling

The high school student in today's world has more opportunities and educational advantages than any previous generation. He or she is also faced with more problems, more decisions, and more frustrations than at any time in our history. The high school counseling department exists only to provide a means of communication and interpretation between the school, the student body, parents, and outside agencies or individuals. Each individual student is equally important in an approach by which a counselor hopes to assist a student through the maze of constantly changing educational and occupational requirements. The counselors want to provide a "personal touch" that might make this whole process a little more understandable and successful.

*In Memoriam*

*Dan Lee Barker*

October 11, 1953 — June 3, 1970

"Did you forget to wear your skirt *again*?"

"Will you *please* let us use your car Friday night?"

"I won't be coming to school today . . . I have lockjaw!"

"M & M's melt in your pocket, not in your mouth."

"Hey, isn't that your mother?"

"You might have gotten an 'A', but that's my paper!"

**Bob Gillson**

*Senior*

*Class*

*President*

**1970-1971**

Bob Gillson accepted the cane and chain, symbols of the Senior Class, at last year's graduation.

Bob has displayed his abilities by carrying out the duties of his office. He began with the organization of the Junior Prom and went on to help organize the Bleacher Bums, an all boy pep section. Since then, Bob has led in the development of the class motto and the Senior Prom.

Bob was an active member of the Student Council and attended the State-wide convention in Chicago. His other activities include wrestling, A.F.S., and the International Relations Club.

Bob, being our Senior Class President, strongly believes that: "Our class has been closer than any other class in the past, and as long as we are alive, the memory of the Class of 71 will live on."

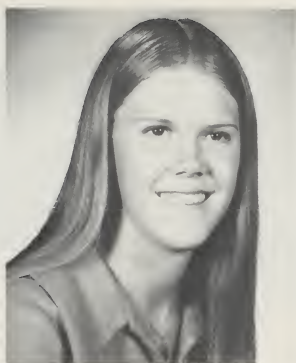

*Cliff Emons*  
*Student Council President*

Last year Cliff Emons was elected by the student body to be our Student Council President for 1970-71. He was Vice President of the Council in his junior year. Cliff has participated in Varsity Golf, Varsity Baseball, and he is a member of the National Honor Society.

Cliff's chief duties as President are to preside at all the meetings, appoint special committees, and work as chairman of the Grievance Committee.

Cliff feels that the 40-member council is "One of the finest we've ever had."

*Jean Hammet*  
*Our A.F.S. Student To Malaysia*

Last summer, Jean Hammet, a member of the American Field Service, had the opportunity to take part in the Americans Abroad Program. Jean's visit was to Malaysia. She stayed with the family of Mr. Lau Chi Fai from Gerantut, Pahong. When asked for a comment about her trip Jean replied, "It is impossible to put all my experiences into one sentence, but I feel it has broadened my entire outlook on the world."

*Ginger Tyler*

*Bill Clark*

### *1970 D.A.R. Award Winners*

Every year the Good Citizens Award, which is sponsored by The Daughters of the American Revolution, is given to one girl and one boy of the Senior Class. This year's winners are Ginger Tyler and Bill Clark.

The award was given to these students because of their outstanding qualities of leadership, patriotism, service, and dependability.

The Society feels a need to pay tribute to these youths whose exceptional qualities are desirable in good citizens.

Congratulations Ginger and Bill!

*National Merit Scholarship  
Semi-finalist*

*Rodney Bowie*

Rodney Bowie was named a semi-finalist in the National Achievement Scholarship program for Outstanding Negro Students.

The Semi-Finalists were the highest scorers in their geographic regions on the National Merit Scholarship Qualifying Test given last February.

Rodney will be commended as a talented black student to all accredited colleges and universities.

Congratulations, Rodney!

*Rensselaer Award*

*Lana Barnett*

This year the Rensselaer Award was presented to Lana Barnett. The award is presented to a junior with the highest average and interest in science and mathematics.

As a senior, Lana is now eligible for the Rensselaer Medal Scholarship.

Congratulations to Lana!

*National Achievement  
Scholarship Semi-finalist*

*Erik Schweitzer*

Erik Schweitzer was a semi-finalist in the National Merit Scholarship Competition.

Erik had one of the highest scores in Illinois on the National Merit Qualifying Test, which he took last February.

The Semi-Finalists demonstrate high intellectual capacity and show strong promise for leadership in their adult careers.

Congratulations, Erik!

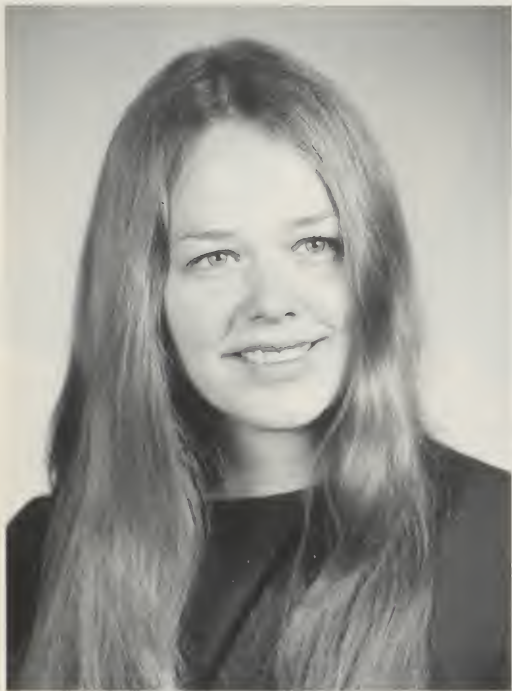

*Bausch And Lomb Award*

*Harriet Schippers*

This year at graduation the Bausch and Lomb Award will be presented to Harriet Schippers. In the estimation of the faculty of Alton High, Harriet has achieved the best record in the study of science. She is now eligible to compete for one of the many scholarships awarded each year at the University of Rochester.

We would like to congratulate Harriet!

*Helena Cramer*  
*Our A.F.S. Student*  
*From Holland*

This year we are privileged to have Helen Cramer as our A.F.S. student from Emmen, Drente, Holland. Helen is staying with the family of Dr. Cameron W. Meredith. She is studying French V, Speech, Journalism, Civics, Afro American Studies, Sociology, and Commercial Art. She admits Speech is her favorite subject, although she enjoys her Student Council activities. Helen loves our football games and is impressed with the amount of school spirit shown at Alton High.

She also enjoys our food and confesses her favorite American dish is scrambled eggs. The students of Alton High hope that Helen has had an enjoyable year with many memories and will visit us again in the future.

"Where should I start?"

"A date with you Mike? You've got to be kidding!"

Helen and Marcia enjoy doing things together.

Helen plays a "altblokfluit."

*Our A.F.S.*

*Student*

*From Brazil*

*Teofilo Tostes*

Alton High is proud to welcome Teofilo Tostes Neto as our A.F.S. student from Brasilia, Brazil. He is staying with the family of William B. Nagy.

Teo is studying U.S. History, French 2, Trigonometry, C.P. English, and his favorite subject, Chemistry.

He is most impressed with the friendliness of Americans and enjoys all of the extracurricular activities at Alton High.

He also feels that our student Council is a worthwhile organization for promoting better relations between students and faculty.

Teo likes to watch our basketball games but confesses that football is his favorite American sport.

He also likes the food in our country, especially, steak and wacky cake.

We wish Teo every success in the future, and we hope he has enjoyed his stay in our country.

Teo loves the American Dagwood sandwich.

"Cue ball in the side pocket?"

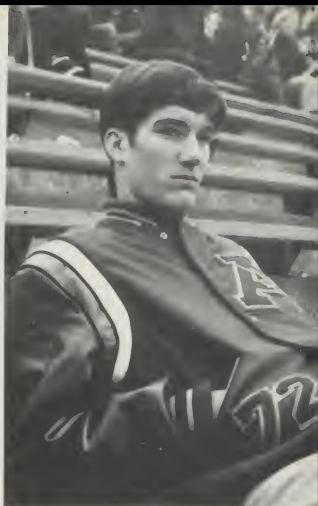

"Get go power with Cheerios!"

Gayle and Teo enjoy horseback riding

"Now class . . . class . . . class?"

"Forget the game . . . I'm watching the Cheerleaders!"

"If he kissed you once, will he kiss you again?"

"It's a letter from General Motors . . . 'Don't call us — we'll call you!'"

Young Love.

"I like the foldout the best!"

## Editor's Message

To the students of Alton High:

Almost 70 years ago the Alton High yearbook became the TATLER. Since that time our TATLER has established a tradition of excellence. This 1971 TATLER has met the challenge of that tradition and we feel that it has raised the whole school's stature even higher. Our sole purpose in the preceding pages has been to recapture a few glimpses of a school year past and preserve for an uncertain future some memory of people and times never again to return.

In this new edition we have also worked to give you a new-look TATLER with a major reorganization, more color, and fresh ideas. Along with my co-editors, staff, and advisor, I have been striving over the past year to produce for you the student body the best book possible.

I would like to thank every member of the staff for his contribution. Co-editors Margie Bechtold and Becky Lochaas deserve special praise for the tremendous job they did in this undertaking. Thanks must also go to our advisor Mr. Livengood who maintains the TATLER's high standard of excellence.

We dedicate this 1971 edition of the TATLER not only to a student body and those who made this the year it was, but to an experience and a tradition.

the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 13.5 million, and the number of people aged 75 and over has increased from 4.5 million to 6.5 million (Office of National Statistics 2000). There is a growing awareness of the need to address the needs of older people in the UK. The Department of Health (2000) has published a strategy for older people, which sets out the government's commitment to improve the health and social care of older people. The strategy is based on the following principles:

- Older people should be able to live independently and actively in their own homes for as long as possible.
- Older people should be able to access the services and support they need to live well.
- Older people should be able to participate in decisions about their care and support.
- Older people should be able to live in a safe and secure environment.
